A note to our members:

At this point, we have no news to report regarding the progress of negotiations for the EA, ESP, PSSP and PSSU bargaining units.

As mentioned at the January 13th Strike Vote meeting, we are currently awaiting further (mutually agreeable) dates to be scheduled so that we can continue our negotiations. We expect to receive word in the very near future.

[Rest assured, we will notify you immediately of any developments.](#)
